

§ 1305.3 Off-road vehicles.

Except for operation as authorized in § 1305.1, off-road vehicles, including trail bikes and mini-bikes, may be operated only within the posted boundaries of areas designated by TVA for this purpose during daylight hours, in accordance with posted regulations, and at the sole risk of the operator. TVA recommends that off-road vehicle riders follow all safety practices recommended by the American Motorcycle Association regarding safety helmets, heavy shoes, protective clothing, and protective shatterproof eyewear. All vehicles shall be equipped with properly functioning mufflers, and motorcycles with spark arresters. No vehicles emitting an unusually loud noise may be operated in such areas. All operation of such vehicles shall be in full compliance with applicable State laws. If such laws permit operation within such areas without registration and licensing, any unlicensed bikes must be transported to the areas.

§ 1305.4 Major off-road vehicle areas.

(a) Off-road vehicles of all kinds, including trail bikes and mini-bikes, may be operated within the posted boundaries of major off-road vehicle areas, which include trails, camping space, unloading ramps, and sanitary facilities. The only area presently so designated is the Turkey Bay Off-Road Vehicle Area, a 2,500-acre tract reached by a drive running west off the Trace approximately 2¼ miles south of the U.S. Highway 68 overpass.

(b) Off-road vehicles may be operated in these areas from 8 a.m. until 30 minutes before sundown. Motors must be off at all other times except for the purpose of entering or leaving the area.

(c) The areas will not be made available for competitive events sponsored by any organized riding groups.

(d) All one-way and other directional signs on trails shall be strictly observed.

(e) Signs designating cemeteries, experimental plantings, and other portions of these areas as off limits to riders shall be strictly observed.

(f) All garbage and other debris must be placed in containers provided.

(g) Riders and campers in the areas shall not harass or otherwise disturb other persons or wildlife in any way.

§ 1305.5 Mini-bike areas at family campgrounds as designated.

(a) Mini-bikes and small trail bikes may be ridden on marked trails and within posted boundaries in areas designated for that purpose at family campgrounds. Such areas are presently designated at the Piney and Hillman Ferry campgrounds.

(b) These areas are open from 9:30 a.m. until 30 minutes before sundown.

(c) All bikes must be equipped with a properly functioning combination muffler and U.S. Forest Service-approved spark arrester.

(d) All one-way and other directional signs on trails shall be strictly observed.

(e) Reckless operation, horseplay, and any action endangering or disturbing other users is prohibited.

§ 1305.6 Enforcement.

Persons violating any of the foregoing rules and regulations may be excluded from Land Between the Lakes or denied use of the areas and trails designated for operation of off-road vehicles, as deemed appropriate by authorized officials of Land Between the Lakes.
